Cavo

Award winning Cavo was created by Italian designer Claudio Bellini for fluid workspaces that crave a beautiful aesthetic with multipurpose utility.

HÅG Capisco

HÅG Capisco is visually striking innovative seating. A curved seat reminiscent of a saddle promotes natural positioning. Designed for continuous motion.

HÅG Capisco Puls

With a slimmer saddle to HÅG Capisco, the HÅG Capisco Puls packs the same design punch while supporting comfortable seating in a range of postures.

Mid-century styling, wraparound arms, and a polished, high-profile base makes Diddy the ideal complement to a classic office or conference room.

Diddy

Welcoming and warm, Lilly's broad, roomy back, curved arms, and expert detailing make it the perfect piece for lounge spaces.

Mila

Mila's gentle curves, beveled edges and thin seat work together to create an artful geometry.

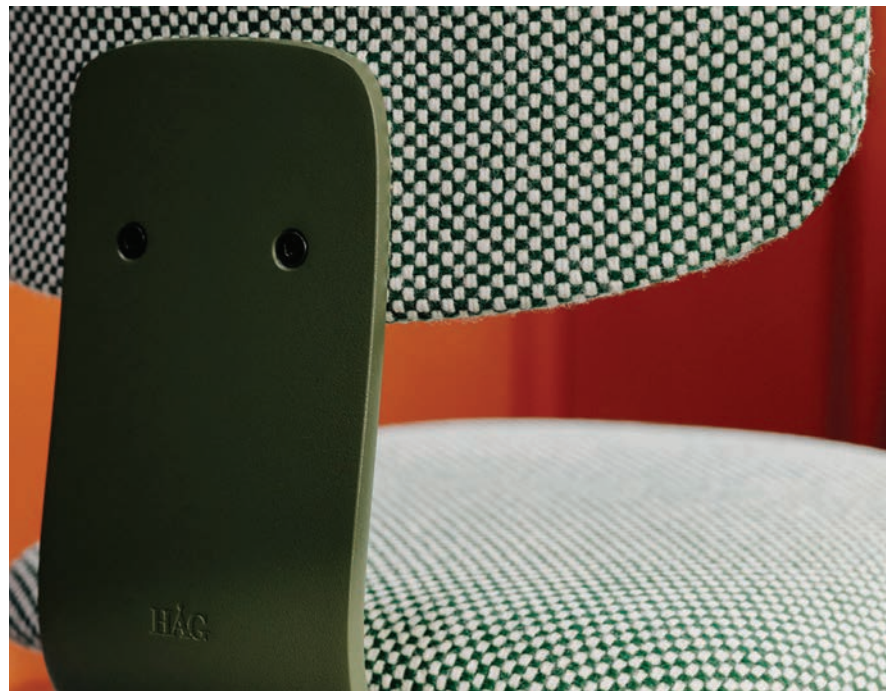

Tori

Tori Mid-back

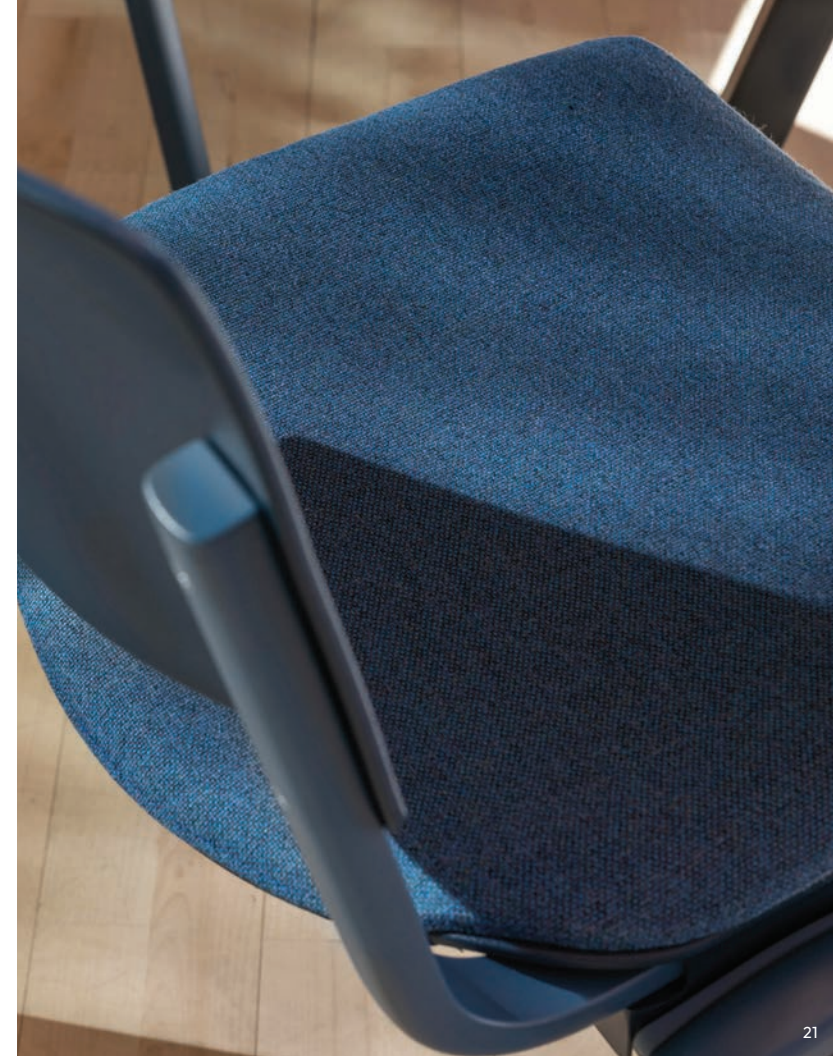

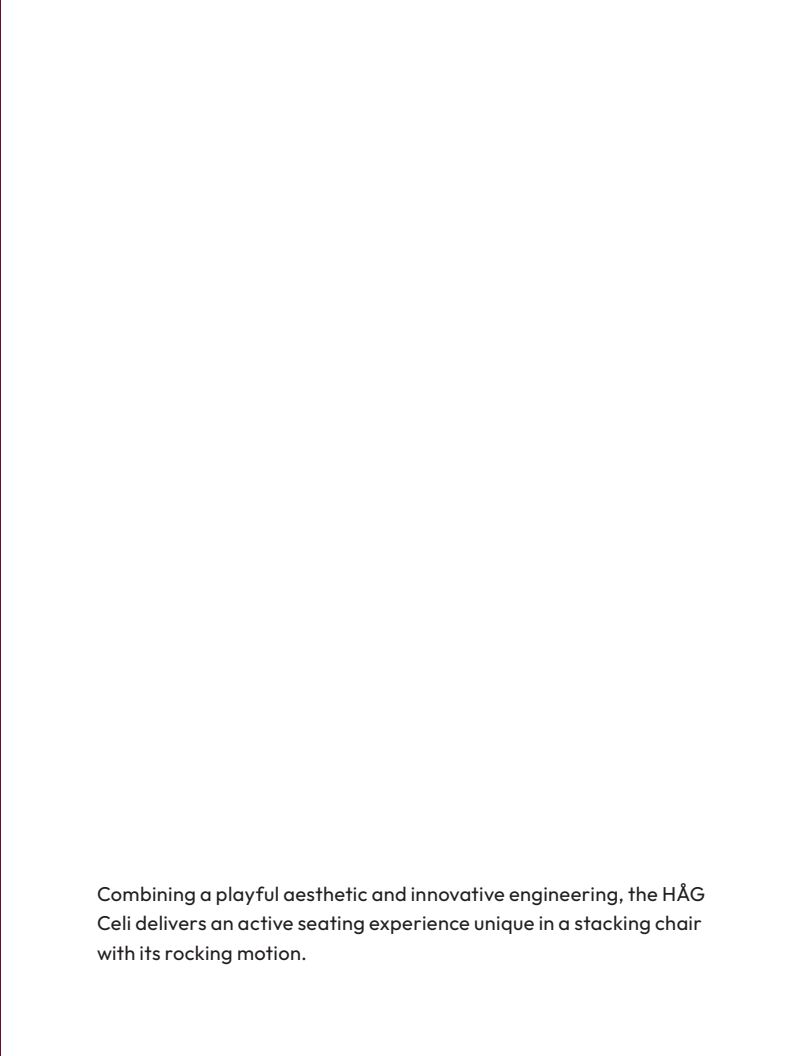

Created by designer Claudio Bellini and embodying functional design, Tori expresses the harmony of beauty and efficiency, with a unique wraparound back for lumbar support.

The HÅG Tion merges unique intuitive design and sustainable construction for task seating that's nothing less than groundbreaking.

HÅG Tion

Combining a playful aesthetic and innovative engineering, the HÅG Celi delivers an active seating experience unique in a stacking chair with its rocking motion.

Jax

With a geometric, sculptural design, Jax transforms a workplace into a modern showroom through meticulous tailoring and craftsmanship. The centerpiece of the collection, the high-back lounge has wraparound wings that provide a sense of privacy.

Ellie

A design standout with elegant curved lines, Ellie combines task-seating-level ergonomics with the luxurious comfort of lounge seating.

HÅG SoFi

HiP award-winning HÅG SoFi is approachable, welcoming and can be adjusted for a custom sit for every user.

Inspired by nature, Omnia is organic and minimalist with a one-piece mesh seat and back for graceful, sweeping lines.

Omnia

Vox

Vox is geometric, multi-purpose stackable seating with an innovative and unique flex-back design.

Sol

Sol's distinctive aluminum flourish offers support, too, delivering as much function as design.

Kip

Kip's inventive design and airy all-mesh construction make space planning a breeze.
